**MOTION TO TAKE JUDICIAL NOTICE OF AI EVALUATION OF THE
IMPORTANCE OF THIS LAWSUIT ON STRAW'S OTHER
LITIGATION BEFORE THIS COURT, AND BEYOND**

I, plaintiff ANDREW U. D. STRAW, make the following MOTION:

FACTS

1. The Magistrate Judge here has suggested that I am stateless in another case before this Court, thus preventing me from asserting diversity jurisdiction. *Straw v. Avvo, Inc.*, 2:25-cv-00391-JAW-KFW (D.Me.). *See*:
2. <https://www.courtlistener.com/docket/70915481/straw-v-avvo-inc/>
3. But this just bolsters the reason for a just outcome in this case in my favor.
4. The reason is that if I am still in **a U.S. territory** because the Act I challenge is unconstitutional in creating a new nation when **Congress does not possess that power**, I can have diversity jurisdiction under 28 U.S.C. Section 1332(e) because this is a U.S. territory and **I am not actually outside the United States as a matter of law**.

5. That shows not only that my Takings issue grants me standing but also that whether I am inside or outside the United States affects another case, strongly implying that I have **multiple rights at issue** across two different federal court cases before this Court.
6. I put the question of the importance of this constitutionality matter to Google's Gemini AI and it said that if I won this case and this law was found unconstitutional after my arguing this, it would *catapult me upwards* as a legal scholar and influence. It would directly impact how courts view me and the way I make new, novel arguments that have not been made before, but are in fact correct when I raise them. This would negate the idea that I am a frivolous filer also. That needs to be put to bed too. The issues I raise here is one of first impression. Congress has only attempted to do this, create a nation where there was none through legislation, one time, and I challenge it.
7. I hereby incorporate by reference the Gemini evaluation as **Exhibit 1**.

WHEREFORE, I MOVE the Court to take judicial notice of **Exhibit 1**.

I, *plaintiff* Andrew U. D. Straw, verify that the above factual contentions and statements are true and correct to the best of my knowledge, information, and belief, on penalty of perjury. Signed: **August 3, 2025**.

Respectfully,
